DIRECTIONS

Driving north from Lerwick turn right at Voe, following the signs to the North Isles and Toft. Passing Norderhoull on the left hand side, take the next right turn. Isla is the first property on the right.

The village of Voe is situated in the central mainland of Shetland, approximately 17 miles from Lerwick and approximately 6 miles from the nearby village of Brae. Voe has a range of local amenities such as a bakery shop with fuel pumps, village hall and popular restaurant & bar. The village hosts community events throughout the year, most notably the country show in Summer which is always well-attended.

The nearby village of Brae also has a range of local amenities; a supermarket, primary school and junior high school, leisure centre with swimming pool and garage to name but a few.

As well as being within easy commuting distance of Brae, Sullom Voe and the Gas Plant, Isla is also a 25 minute drive from Lerwick.

The sale of Isla includes all fixtures, fittings, curtains and blinds. The property was built circa 2012/13 and there are still some minor works outstanding, reflected in the valuation. The site is ready for landscaping, allowing a new owner to apply their own character to Isla. Please note that the garden shed is not included in the sale.
